Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See Attached Detailed Action

DETAILED ACTION

The reply filed on December 28, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The response does not overcome the objections set forth in the last office letter mailed on December 13, 2004. At the top of the fourth page of the amendments to the specification filed on December 28, 2004, refers to the last paragraph of page (no page number is provided), and the paragraph does not continue on page 3 of the specification, as is set forth. The claims objections outlined in the first Office action still have not been addressed. The fourth page of the amendments filed by applicant on December 28, 2004 show only the last five lines of what would appear to be a claim, and illegible lines 1-3 of a claim 3. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lloyd A. Gall whose telephone number is 703-308-0828 and after April 2005 at 571-272-7056. The examiner can normally be reached on Monday-Friday, 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bagnell can be reached on 703-308-2151. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 3676

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
